Order is complete!  
View tickets if you wish

This is my ticket view... (no need to print this)  
It shows I've booked 3 classes in World Travel and 4 classes in Scrabble.

Next go to your email inbox. Look for an email from Eventbrite. Open it and scroll through to see your summary. Print this and bring to the class or you can print out each individual ticket from the attached document. Either way is fine!

NOTE 1: If you use a smartphone you might like to download the Eventbrite App. A link to download it will appear in your above email. As your order will be automatically stored in the App. there's no need to print anything, just bring your phone to class so the tickets are viewable. Saves ink!

NOTE 2: We are here to help you!  
If the above is too confusing simply ring the Casey U3A number: 0478 226 521 leave a 'help' message and someone will get back to you. We don't want anyone to miss out on these new class options! 😊
